

Dear Homeowner,

As of April 22, 2010 the US Environment Protection Agency's (EPA) new Renovation, Repair and Painting Rule becomes fully effective. As such, we need to determine if you're home was built prior to 1978.

Pratt & D'Angelo Painting, Inc. has received EPA Certification (Certification # NAT-24076-1) to conduct lead-based paint (LBP) renovation, repair and painting activities pursuant to 40 CFR Part 745.89.

I, _____, owner of the house located at _____,

certify to the following (Please initial one):

- 1. To the best of my knowledge, my home was built after 1978. _____
- 2. Although my home may have been built prior to 1978, there has been major renovations completed after 1978 on all areas or components that will be affected by the painting work to be completed by Pratt & D'Angelo Painting, Inc. _____
